

Community News – Sustainable Thornbury's AGM.

Sustainable Thornbury members heard about a busy and successful year at their recent AGM. The report of activities included the plastic bag campaign, co-operation with Town Council, Chamber of Commerce to produce the Town Bag, the growing number of people involved in the Grow Your Own Food Group, a successful start to looking after the community orchard and numerous other activities undertaken by members throughout the year.

A new Chair (Val Harding) and Treasurer (Raymond Day) took over from Jeff Gash and Paula Hunt, whose efforts over the last year were praised by members.

The second half of the evening was taken up with a lively and fruitful discussion about how to take forward Sustainable Thornbury's activities this year. Members will be considering all the options generated at a further meeting in July.

All Sustainable Thornbury events and meetings are open to everyone. Membership is free. Further information can be obtained from the Secretary, Margaret Pinder on 01454416778 or info@sustainablethornbury.org.uk.
