## ***Give it Away – Take it Away Day: Another great success***

Local people came out in their hundreds to Sustainable Thornbury's second Give it Away – Take it Away Day in Thornbury last week. This second event proved even more successful than last year, despite a stormy finish and some very wet volunteers! 399 car loads of usable goods were off-loaded and mostly taken away to be rehoused. The range was as huge as last time: from prams to padlocks, tools to TVs, books to bicycles. Sustainable Thornbury would like to thank all those generous people who prevented useful goods going into landfill and gave them more years of life.
